NOTES:

1 Active Participants will include closed participants whose plans have not ended yet but will in the near future

2 Participants in 'Funding Opportunity' status are counted towards the waiver where they will have a plan , not necessarily the original waiver when placed on wait list

4 In May 2017 a deficiency in the logic for 'Active Participants' totals was discovered. A change was made which added more active participants to each total.

5 There is one participant who was temporarily added to the comprehensive child wait list, but is counted in the supports child wait list. This participant will be removed from the wait list before next month
